Richard,

It has been an intense and nerve-racking week, truly. So, I wanted to take a moment to thank you for helping us get the Denka letter and the FR notices out the door. I know you find yourself between a rock and a hard spot most of the time (and I know, I – or rather NCEA assessments – don't make it easy ☺), but I recognize the strength you must have to marshal each day to walk this seemingly infinite tightrope.

Thanks again, from all of us in NCEA.

Tina
